**CAUTION - EXTERNAL:**

Good Afternoon,

We received a Motion to Dismiss from the Defendants on 2/19/25. We have viewed the docket sheet several times since and do not see the motion on the docket. We check it to make sure we respond in time when allowed. In good faith and to fulfill the obligation we are reaching out to the courts, and submitting our response to that motion sent to us in an email on 2/20/25 and the judges order January 25, 2025. We are unsure how to proceed. Any questions concerns or problems please reach out, perhaps we over looked something. Attached you will find the motions for Plaintiffs Motion to Object to the Dismissal and the Protective Order for the Medical Records for case no. 00479 & 00480.

Thank You,  
Rachel
